

ISK PeaceJam Seminar

Grade 10, 11 & 12 4 Credit Elective Course

With teachers Barbara Nicoll and Kristina Leidums

Starting Fall 2009

The ISK Peace Studies Seminar is an elective course for high school students. Following the PeaceJam Ambassadors curriculum, students will explore issues related to peace, violence, social justice and oppression. Studying the lives and work of 12 Nobel Peace Laureates and the strategies they use to address pressing global issues will provide the inspiration for participating students to create their own Global Call to Action Projects.

Our goal this year is to initiate a group Global Call to Action and to attend the PeaceJam International Global Call to Action Conference in San Jose, Costa Rica in September, 2008.
